

[“Explaining Ukraine to K-5 Students” | The Jewish Educator Portal](#)

A video created by Laura McManus Graham, Pre-K-12 Chair of Equity and Instruction at The Blake School, to help explain the conflict in Ukraine to kindergarten-5th grade learners. educator.jewishedproject.org

[“How to Talk to Kids About the Ukraine Invasion” | PBS SoCal](#)

Many kids may be hearing about the situation in Ukraine. Our instincts are often to avoid talking to them about tough news topics, but if we don't, they'll piece it together from other places. Our job is to provide our kids with accurate, age-appropriate information while reminding them that they are safe and loved. Learn how. www.pbssocal.org

This is a presentation that can be used with the educational guide about Ukraine.

It can only be viewed and not edited. If you want to make changes to the content, please copy the file and edit.

“Helping Kids Navigate Scary News Stories” | PBS for Parents

We can't fully “news proof” our home when unsettling events happen in the world, but we can help kids navigate what they hear through simple, responsive, reassuring conversations.
